**AT Advocacy Checklist**

Meeting with a funding source or AT advocate? Don’t forget to bring:

- AT evaluation report or doctor/therapist prescription
- Age of person needing funding for AT (if other than yourself)
- Written description of how AT has or will benefit you (or the person you are advocating for)
- Written record of any AT related services received in the past
- Receipts for any AT services or equipment expenses, if available
- Copies of other documents related to the disability (prescriptions, medication receipts, etc)
- Types of public assistance you currently receive (or is received by the person you are advocating for)
- Background information or guidelines for the AT funding source(s) you are pursuing
- List of any questions you may have regarding your AT needs and/or the process to obtain funding
